From all these Wall street "fancies," Good Lord, deliver me. Absent Mindedness and Mental Pow-

It is worthy of notice that the growth of the mind is often accompanied by an apparent loss of power n particular respects; and this fact is exceedingly important, especially to all who desire to estimate the condition of their own mind. The mental phenomenon called-not very correctly-absence of mind, is often that darling boat race; but she can During the next two weeks Mrs. regarded by the person experiencing it, and still more by those who ob serve it in him, as a proof of failing powers. But it often, if not general ly, accompanies the increase of mental power. Newton displayed absence of mind much more frequently and to a much more marked degree when his powers were at their highest, than in his youth, and not only did instances become much less frequent when he was at an advanced age, but the opposite quality, sensitiveness to small annoyances, began increased concentration of the attention on subjects specially calling for the exercise of the highest forms of traction of their thoughts from the main subject of their study. But this statement may be extended into the general remark that the most

More About Girls. hard to govern. They give their anxious mothers and foud fathers many serious hours of thought and care. They principally delight in know a great deal more than their addressed her:
mothers do. They giggle and act "Say, my goo very foolish sometimes-when anything happens to please them. They pout and make up faces when they teel cross and uncomfortable, or when any one is unfortunate enough to incur their youthful displeasures;

and they resort to tears and find a great deal of comfort in a good cry when the world does not move upon incus, provided it is to continue any length c, but prices must advance in all kinds of indice, as they are being sold much less are cost of production. However we shall They are very romantic in regard They are very romantic in regard to their expectations of the future.

They have an uncontrollable passion for cheap, sensational literature, and they usually entertain about as usual and exaggerated ideas of life as they find pictured and described in the startling nara ives which they are in the habit of reading. They look forward to find themselves in the same impossible situations as the imaginary heroines, whose checkered career they follow with such thrilling interest, anxiety and enthusiasm. They condescend sometimes to flatter and flirt with the tender-hearted and confiding youths of their acquaintance who, at an early age, are so un-

fortunate as to feel that "The rosy boy with a cherub wing, Has many a shaft for his slender sling!"

The girls, somehow, seem to delight in tormenting and teasing such pity or compassion for what these tender youths suffer and endure by reason of hopelessly loving them. Girls sometimes make old and gray-headed men say and do a great many foolish and undignified things. Such instances are not uncommon. And who can fancy a more redicuwith hair and whiskers freshly and the rheumatism, frisking about like futile endeavors to persuade some young girl of sweet sixteen that he

s as young as ever he was! all their joys and sorrows-enjoining ise religiously to keep it.

mature fashion and gets her first

But, with all their failings and

How often have we seem a blooming maiden, upon whose face smiles danced like moonbeams upon the bosom of a sleeping sea, and whose life gave promise of happiness unalloyed and hope requitted, sitting in the sanctuary with a huge wad of gum in her mouth, and her beautiful chin rising and falling like the waves upon the ocean, while the

Dr. J. Walker's California Vin egar Bitters are a purely Vegetable preparation, made chiefly from the naive herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BIT-TERS!" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEOAR BITTERS in healing the cold of system diseases man is heir to. They TURSDAY, MAY 5th, 1874 AT 11 O'CLOCK A. M... as the time and The Auditor's Office at Jefferson. Onlo, as the piace for the hearing of said petition. sick of every disease man is heir to.
